Dear Henry:

I appreciate your good letter of January 17,  
and I am happy that I was able to get the book to  
you before you found it elsewhere.

I have checked with the Air Force again and  
find that while there has been some delay, it  
is probable that a formal letter of invitation  
will be forthcoming soon after a few details are  
worked out. I understand that it is contemplated  
that your friend will be invited for a two or  
three week visit sometime in April or May of this  
year. However, you should be hearing on all of this  
shortly from the Air Attache.

Sincerely,

ALLEN W. DILLON

Dear Allen -

STATINTL

[redacted] today -

to my great surprise and joy - the book I have wanted so badly  
and your very thoughtful letter.

This is really a treat for me, as I had just about given  
up on it here in Switzerland and through my office in New York,  
where all insisted I could not get the book. Thank you for the  
pleasure I am going to have from it - - beginning tonight -- and  
for your inscription.

The Air Attache was notified on a preliminary basis by the  
Air Force on December 2nd., saying an invitation was under  
consideration and I have been a little bit concerned by no  
further word out of the Pentagon!

Many, many thanks again, Allen, for the book and for everything  
and -- believe me -- no day goes by over here but that we think  
of you.

As ever -

(signed)

Harry
